Looking for a low-maintenance, affordable lifestyle in Tyler? Discover the peace of mind and comfort of Clayton eBuilt Homes at Creekside.

Designed with the retired homeowner in mind, Creekside offers a serene environment coupled with the innovative efficiency of Clayton eBuilt homes. Experience the perfect blend of comfort, affordability, and security in the heart of East Texas.

Weather the Storm, Save Money: While Tyler, TX, occasionally has extreme weather, Clayton eBuilt homes are still engineered to withstand the elements, providing the same level of safety and protection as traditionally built homes. Beyond durability, these homes are designed to maximize energy efficiency, helping you save significantly on utility bills. With potential energy savings of up to 38% compared to standard manufactured homes, you can enjoy more of your retirement funds.

Live Comfortably, Sustainably: Clayton eBuilt homes are built to the U.S. Department of Energy's Zero Energy Ready Home™ standards, making them kind to both your wallet and the planet. High-performance insulation, energy-efficient appliances, and smart thermostats are just a few of the features that contribute to a smaller environmental footprint.

Enjoy the Creekside Lifestyle: Creekside offers a tranquil setting where you can relax and enjoy your retirement years. Our community is designed to promote a sense of belonging and offers amenities tailored to your needs.

Affordability and Peace of Mind: With Clayton eBuilt homes, you can enjoy the comfort and style you deserve without breaking the bank. Combine these affordable homes with substantial energy savings, and you'll have more financial freedom to pursue your passions.

Choose Creekside: At Creekside, we're committed to providing a superior living experience for our residents. Our partnership with Clayton Homes brings you the best in modern, efficient home living.
