The Twin View: Modern Comfort in a Spacious Design

The Twin View by Clayton Homes offers a stunning blend of affordability and comfort, all built to exceed expectations. This 3-bedroom, 2-bathroom manufactured home boasts the quality finishes you'd expect in a traditional site-built home, with the added advantage of Clayton's innovative eBuilt construction.

Step Inside and Experience:

Spacious Living: High ceilings that soar to 8.5 feet create an airy feel, while the open floor plan fosters connection throughout the living areas.

Island Kitchen: Unleash your inner chef in this well-equipped kitchen, complete with a central island that provides extra prep space and a perfect spot for casual dining.

Relaxing Retreats: Three bedrooms offer a peaceful haven for everyone, while two full baths ensure convenience.

Indoor/Outdoor Connection: Enjoy the fresh air on your choice of front or rear porches, perfect for morning coffee or evening relaxation.

Country Estates Enhancements:

Weather Protection: A covered carport provides a designated space for parking and additional shelter from the elements.

eBuilt Efficiency:

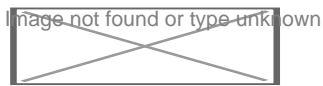

This Twin View goes beyond comfort, thanks to Clayton's eBuilt standards. Experience the benefits of:

Energy Savings: Advanced construction techniques and high-performance materials translate to lower annual utility consumption, putting money back in your pocket.

Smart Home Features: A Smart Comfort by Carrier system allows for intelligent climate control, while features like an ecobee® smart thermostat and LED lighting throughout contribute to a more sustainable lifestyle.

Modern Conveniences: Radiant barriers and 25+ home efficiencies ensure year-round comfort, while a hybrid water heater provides efficient hot water.

Stainless Steel Style: Gleaming stainless steel appliances add a touch of elegance and functionality to your kitchen.

The Twin View offers exceptional living at an obtainable price. Contact Country Estates today to learn more about this beautiful and efficient home!
